President's Letter

January 2010

As CCMA President for 2010, greetings on this New Year. The CCMA purpose, in general terms, is to work with Club management to preserve and enhance our membership rights and privileges and to communicate with members on ownership plans that could affect them. The 2010 CCMA Board also includes returning directors Warren Wright and Gale McCune and newly elected directors Dan Desmond, Barry Golliday and Frank McMorrow.

We have just completed a successful 2009 under Lovee Curtis's leadership as President and she will continue with us as Ex-Officio member for 2010. The Board intends to continue working closely with Club ownership and management to keep communication lines open. The CCMA Committee Chairs and members will also continue their volunteer efforts on your behalf to improve our golf and social experiences at the Club.

The CCMA Board and Committees meet monthly. On our web site, you will find the minutes of the various meetings, information from the golf associations, and information on how to get in touch with us. Please take advantage of this opportunity to share your thoughts with the Board. Also, remember you are always welcome to attend the monthly meetings. On behalf of the CCMA Board & Committees we wish all FCCC members a wonderful New Year.
