

2011 President's Letters

NEW CCMA BOARD IN PLACE FOR 2011

The CCMA Board recently met and elected new Officers for 2011:

Frank McMorrow - President

Dan Desmond - Vice President

Barry Golliday - Communications

John Tinker - Secretary

Henry Theloosen - Treasurer

Craig Stambaugh - At Large / Special Events

Sam Bowlin - Ex-Officio

The Board would also like to acknowledge and thank retiring Directors; Sam Bowlin, Gale McCune, Warren Wright and Lovee Curtis (Ex-Officio) for their dedication and leadership. Sam will continue with us as Ex-Officio member for 2011. The CCMA Committee Chairs, Golf Association Presidents and respective members will also continue their volunteer efforts on your behalf to improve the overall golf and social experiences at the Club. Our club is truly blessed with the quality and dedication of these wonderful people and we are very fortunate that all Committee Chairs (Erna Rodgers-Social, Laurie Wingfield-House, Jeff Cannon-Greens, Ward Grant-HRT and John Bittenbring-Marketing&Communications) will continue in their role for 2011. We also welcome the new Association Presidents (Betsy Conboy-LGA18, Sue Rennagel-LGA9, Walt Culhane-MGA) and continuing on as Limited Golf representative-Milt Berube.

The CCMA's purpose, in general terms, is to work with Club management to preserve and enhance our membership rights and benefits and to communicate with members on ownership plans that could affect them. The Board intends to continue working closely with Club ownership and management to keep communication lines open. The CCMA spoke many times last year about protecting our member benefits and the list of these benefits is now posted on the CCMA website. We invite everyone to review the list. We think you will agree that we, as members, enjoy a wide range of benefits that none of us would want to see go away.

Notwithstanding the uncertainty created by Chapter 11, membership support of the club has been exceptional. It is very apparent to all the parties involved with the Chapter 11 process that the membership at FCCC, while neutral in terms of future ownership, has voted with their wallets and hearts in support of an ongoing and financially viable club. It is our sincere hope that we are coming to a conclusion on the Chapter 11 process,

hopefully within the first quarter of 2011. In the meantime let's continue to enjoy and support "our" club.

The CCMA Board and Committees meet monthly. On our web site, you will find the minutes of the committee meetings, updates on Chapter 11, list of contributors to our legal fund, information from the golf associations, and information on how to get in touch with us. Please take advantage of this link to share your thoughts with the Board. Also, remember you are always welcome to attend the monthly meetings.

Once again on behalf of the CCMA, Committees and Golf Associations we wish all FCCC members a wonderful New Year.

Frank McMorrow
President
